#### NOT DUE TO SEX ALONE

Scotland Neck Woman Have Learned The Cause of Many Mysterious Pains and Aches

Many women have come to know that sex isn't the reason for all back-aches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well-recommended by Scotland Neck people. Ask your neighbor!

Mrs. C. E. Vanlandingham, R. F. D. No. 3, Scotland Neck, says: "I used Doan's Kidney Pills a good many years ago with good results. My back was so lame and sore I could hardly straighten. I had severe headaches, was nervous and felt all unstrung and irritable. I often got dizzy and specks seemed to float before my eyes, blurring my sight. Hearing of Doan's Kidney Pills I began taking them and in a short time all this trouble was entirely relieved."

"When I began taking Tanlac," says Mrs. Shirley R. Fronberger, of 115 East Third St., Gastonia, N. C., "I was almost a nervous wreck. My condition had become such that I was almost desperate. I was troubled with gas on my stomach and had sick headache so bad I often had to take to my bed. I was so run down that even the care of my three little children was almost beyond my strength."

"What six bottles of Tanlac has done for me is too wonderful for words to express. My nerves are as calm now as nerves can be and I am off to sleep nearly as soon as I get in bed at night. I have gained twenty-five pounds and am feeling fine. If it is ever necessary for me to take medicine again I will certainly take more Tanlac."

Tanlac is sold by all good druggists.
